Ensemble	Show Title	Show Description
MBI Winds	Amped	
Brookings HS	Trapped	"Trapped" vividly brings to life the poignant journey of a solitary soul confined by their inner turmoil, as inspired by the haunting poem "Trapped In A Cage" by Kevin Fisher about a life imprisoned by emotional struggles and the desperate longing for connection.
Sioux Falls Jefferson HS	Relatively Escher	"We adore chaos because we love to produce order." M.C. Escher is one of the most well known artists of the 20th century and his pieces are always thought provoking. Let's explore the process of Escher's mind and creativity, making order out of the chaos.
