

MINNESOTA PERCUSSION ASSOCIATION (MPA) CODE OF CONDUCT

This Code of Conduct applies to everyone involved with MPA, including all participants, minor participants, groups, instructional staff, MPA personnel, board members, volunteers, and contractors. Everyone must follow this Code of Conduct to stay in good standing with MPA. The policies in this Code of Conduct aim to ensure safe environments and experiences during all MPA activities.

This Code of Conduct explains what behavior is appropriate or inappropriate. While it cannot cover every possible situation, everyone must follow the letter and spirit of these guidelines to stay in good standing with MPA.

Definitions of Parties

- **Adult participant:** A person over 18 performing with a group.
- **Minor participant:** A person under 18 performing with a group.
- **Group:** The entire organization or an individual participating group.
- **Staff:** A person engaged by a group in an instructional or administrative role.
- **Volunteer:** A person who freely gives their time to MPA and/or any member groups, and provides support in any capacity.
- **Contractor:** A person who provides occasional services for a fee.
- **MPA personnel:** A person engaged to perform services for or on behalf of MPA.
- **MPA board member:** A person who serves on the MPA Board of Directors.

MPA will not tolerate conduct that violates its policies. Even if an action was not intended to violate this Code of Conduct, MPA prioritizes the actual impact of the action over the person's intentions to prevent negative experiences.

In addition to upholding this Code of Conduct, MPA can review and may take interim action against anyone involved in or accused of unlawful activities related to their participation in MPA or the marching arts.

All parties should consider themselves ambassadors of MPA. They are expected to uphold these policies, remind others of them when necessary, and report alleged violations.

Alcohol and Drug Policy

MPA parties have the right to participate in an environment free of alcohol, drugs, and other substances. Prohibited substances include narcotics, marijuana, products containing THC, inhalant drugs, and over-the-counter medications unless used with a valid medical prescription. Violations include, but are not limited to:

- Distributing alcohol and prohibited substances to any participant.
- Consuming or being under the influence of alcohol or a prohibited substance while under a participating group's supervision or providing services to MPA in connection with any event or activity, including rehearsals.
- Possessing or distributing alcohol or a prohibited substance on school grounds or arena facilities where such activities are prohibited.

Exceptions to this policy may be made on a case-by-case basis by MPA to allow alcohol at specifically sanctioned MPA events. At such allowable events, local regulations are expected to be followed. Prohibited substances remain forbidden at all times.

Anti-Retaliation, Whistleblower, and False Reporting Policy

MPA will not tolerate retaliation against any party who makes a good faith report or threatens to make a good faith report. Retaliatory actions include threatening, intimidating, harassing, coercing, or any other action that could dissuade someone from reporting misconduct. Retaliation does not include good-faith actions lawfully pursued in response to a reported violation.

Any participant knowingly making a false allegation will be subject to disciplinary action. A false allegation differs from an unsubstantiated allegation, which means there is insufficient evidence to determine whether an allegation is true or false. An unsubstantiated allegation alone is not grounds for a Code violation.

Bullying Policy

Bullying means severe behavior directed at a participant that is aggressive and likely to hurt, control, or diminish the participant emotionally or physically often centering around a real or perceived power imbalance. Examples of bullying include repeated physical, verbal, or social abuse. Physical abuse may refer to hitting, pushing, beating, biting, or other offensive contact. Verbal abuse may refer to ridiculing, taunting, name-calling, intimidating, or threatening to cause harm. Social abuse may refer to using rumors or false statements to diminish someone's reputation or socially excluding someone and asking others to do the same. Bullying may occur in person or virtually through any social or electronic mediums.

Bullying does not include occasional instances of rude or mean-spirited language, conduct arising from a conflict or struggle between persons with incompatible views or positions, or professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved participant performance.

Confidential Reporting

Reports are made confidentially to MPA. Confidentiality means MPA will know the reporter's identity but will not share it unless consent is provided or if MPA is legally required to do so. Inaccurate or withheld information will limit MPA's ability to conduct an inquiry and respond.

Fraternization Policy

MPA maintains a strong position on fraternization between all parties. Fraternization means any close personal relationship that goes beyond a professional working relationship and can include romantic or intimate relationships, excessive socializing, and favoritism. Examples include:

- Sexual or romantic relationships between staff/volunteers and minor participants are prohibited.
- Establishing a new sexual or romantic relationship between staff/volunteers and adult participants while working with the same group is prohibited. Additionally, establishing a new sexual or romantic relationship between any party where there is a real or a perceived power imbalance is strongly discouraged.
- Fraternization between adult participants and minor participants is strongly discouraged and may be illegal.
- Already existing relationships between staff and participants are not encouraged but are not forbidden. These relationships must be managed to address potential conflicts or power imbalances.
- Any relationship that puts any party at risk of harm is prohibited.

General Conduct Policy

The experience of each party and the reputation of MPA depends on the conduct of all parties involved. Good manners, basic decency, and common sense are generally all required to ensure appropriate conduct and behavior. Engaging in conduct or using language that could be perceived as rude, inappropriate, abusive, disorderly, derogatory, immoral, or threatening will not be tolerated. Violations of this policy include, but are not limited to:

- Applying undue and unfair pressure to another party, especially if one party has authority over another.
- Verbally abusing any MPA personnel or board member.
- Inappropriate conduct on the contest floor, rehearsal sites, or event venues.
- Disruptive or rude behavior anywhere, anytime during an MPA activity.
- Affiliates of a group, such as parents or spectators, engaging in inappropriate conduct directed at any party on the contest floor, rehearsal sites, or event venues.

Harassment Policy

All parties must maintain a safe, respectful, and inclusive environment. Harassment means repeated or severe conduct that causes fear, humiliation, or annoyance and reflects discriminatory bias to establish dominance, superiority, or power over an individual or group based on age, race, ethnicity, gender, orientation, culture, religion,

national origin, or mental or physical disability. Harassment also refers to conduct that creates a hostile environment. A hostile environment exists when the conduct is severe or pervasive enough to interfere with, limit, or deprive any individual of the opportunity to participate in any program or activity. Harassment may occur in person or virtually through any social or electronic medium.

Harassment does not include occasional instances of rude or mean-spirited language; conduct arising from a conflict or struggle between persons with incompatible views or positions.

Hazing Policy

Hazing means any conduct that subjects another person to anything that may endanger, abuse, humiliate, degrade, or intimidate them as a condition of joining or being socially accepted by a group, team, or organization. Consent by the person subjected to hazing is not a defense, regardless of their perceived willingness to cooperate or participate.

Hostile Rehearsal Environment Policy

The rehearsal space is where groups develop creative routines and foster teamwork. A rehearsal environment is defined as periods when the group is practicing under the direct supervision of an authority figure or coordinator. It is a violation of this Code for any party to engage in severe or pervasive conduct that hampers a party's ability to participate meaningfully in the rehearsal environment. Rehearsal environments should remain educational both in the planning and commentary provided to any party. When rehearsal techniques and feedback are no longer educational, a hostile rehearsal environment could be created. Conduct prohibited by this Code, such as harassment, hazing, and bullying, is also prohibited in the rehearsal environment. Additionally, violations of this policy include:

- Creating a rehearsal environment intended to make any party excessively afraid, nervous, or anxious regardless of intention.
- Withholding educational information to achieve skills safely.
- Attacking the personal character of participants rather than aspects of their performance.
- Rehearsing for extended timeframes while purposely withholding, recommending against, or denying adequate hydration, nutrition, medical attention, or sleep.

Sexual Misconduct

Sexual misconduct of any kind will not be tolerated. Offenses include sexual or gender-related harassment, nonconsensual sexual contact, exposing a minor to sexual content/imagery, and sexual exploitation.

- **Sexual or Gender-related Harassment:** Unwelcome sexual advances, requests for sexual favors, unwanted and continued sexual flirtations, and propositions. It also includes sexually degrading words and other conduct of a sexual nature.
- **Nonconsensual Sexual Contact:** Engaging in sexual contact without consent.
- **Exposing a Minor to Sexual Content/Imagery:** Intentionally exposing a minor to sexually explicit imagery.

- **Sexual Exploitation:** Taking nonconsensual or abusive sexual advantage of another for one's own advantage.

Reporting Instances of Sexual Misconduct

If any party receives information suggesting sexual misconduct has occurred, they must report it to MPA immediately. Groups and Circuit Partners should report allegations of sexual misconduct to law enforcement. They must maintain effective policies and procedures for the protection and safety of all parties, including the ability to report suspected sexual misconduct without retaliation.

If any party learns of or suspects child abuse, including sexual misconduct, they must immediately report it to law enforcement, MPA, and comply with other applicable reporting requirements. Reporting to MPA alone is not sufficient.

Social Networking Policy

MPA values the freedom of expression on social networking sites and does not wish to discourage self-publishing or self-expression. However, we expect all parties involved in any capacity in MPA to follow the applicable guidelines and policies. It is important to understand that any posts made on social media, other than from official MPA accounts, are personal and do not represent MPA. Our policy prohibits the use of social media to post or display comments that are vulgar, obscene, threatening, intimidating, harassing, or hostile on account of any protected characteristic under applicable law on platforms controlled by MPA.

Weapons Policy

To ensure a safe environment for everyone, MPA strictly prohibits the wearing, carrying, storing, or possession of any dangerous weapon that is brought with the intent to intimidate, harm, or otherwise injure individuals or property. Consequences for such violations could include, but are not limited to, removal of the violator from the venue or disqualification of the group from the event or MPA. This is in addition to any weapons-related policies the event venue has.
